CHUTE LAUNCHERS

Stroud launching systems make sure your chute will always deploy correctly. Either CO2 piston or spring propelled, these are a must when going 200+ mph. The Cantilever is a trick swing arm that deploys chutes very clean and fast.

- 19-14K Chute Cantilever System
- STR-17 Stroud Spring Launcher, sold by itself
- STR-2 Stroud Spring Launcher Upgrade, sold w/ Chute
- STR-2A Stroud Spring Launcher, sold by itself
- STR-3 Stroud Air Launcher Upgrade, sold w/ Chute
- STR-3A Stroud Air Launcher, sold by itself
- STR-7 Stroud Air Chute Handle Release System
